### How to Authenticate the Official eTranscript from Cornell University

This Official eTranscript has been transmitted electronically and is intended solely for use by the specified recipient. If you are not the intended recipient, please notify the Office of the University Registrar at Cornell University.

The eTranscript is considered an official Cornell University transcript in PDF format as long as the Blue Ribbon seal is displayed. If printed, the words VOID VOID VOID will appear to indicate that the paper copy is not an official institutional document. The transcript key is the last page of the eTranscript.

This eTranscript has been digitally signed and therefore contains special characteristics. If this document has been issued by Cornell University, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document is certified by Cornell University with a valid certificate issued by GeoTrust CA for Adobe. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic or the document has been altered. A document with an invalid digital signature display should be rejected.

If the digital certificate status is unknown, make sure the computer has an active internet connection. If there is a properly working internet connection and the digital signature cannot be validated, reject the document.

You must use Adobe Reader or Adobe Acrobat to view the eTranscript; it cannot be viewed with other PDF viewers. The current version of Adobe Reader is free of charge and available for download at [www.adobe.com](http://www.adobe.com).

Please be aware that you will only have access to download this eTranscript for **30** days from the date the document was published, and you are only allowed **5** attempts to download it. ### Median Grades

Median grades are posted on transcripts for all undergraduates matriculating in the Fall 2008 and after. Median grades are not reported for all courses. For the complete policy, visit <http://registrar.sas.cornell.edu>.

**There is only one official university transcript for an individual student which represents the complete Cornell University academic record.**

### EXPLANATION OF GRADING SYSTEM

### Credit Hour Definition

A student will receive one credit by satisfactorily completing a course that requires at least fifteen hours (15) of instruction and at least thirty hours (30) of supplementary assignments. Hours are adjusted proportionately for other formats of study, e.g., laboratory, studio, research problem-based learning, and independent study. On average, there should be three (3) hours of work per week per credit.

The fall and spring semesters constitute the normal academic year.

### Dean's List

Posting the Dean's List notation began with Fall term 1971. Dean's List awards are posted for all Undergraduate units.

### Grading Systems prior to September 1965

These are described on a separate sheet which is automatically provided with appropriate transcripts.

### Current Grading System

Grades are on a letter scale: A+ through D-, pass; F, failure. The grades of S (satisfactory) or U (unsatisfactory) may be used in a limited number of cases in which no greater precision in grading is required. Grades of S or U are not assigned numerical value and thus are not averaged in with other grades in computing grade point averages.

These letter grade values are combined with course credit hours to produce an average. Semester and cumulative averages are included on the transcript.

For the purpose of computing semester, year or cumulative averages, each letter grade is assigned a quality point value as follows:

A+ = 4.3	B+ = 3.3	C+ = 2.3	D+ = 1.3	
A = 4.0	B = 3.0	C = 2.0	D = 1.0	F = 0
A- = 3.7	B- = 2.7	C- = 1.7	D- = 0.7	

Beginning with Fall term 1983, Law School averages are computed using the following point values:

A+ = 4.33	B+ = 3.33	C+ = 2.33	D+ = 1.33	F = 0
A = 4.00	B = 3.00	C = 2.00	D = 1.00	
A- = 3.67	B- = 2.67	C- = 1.67	D- = 0.67	

**TO TEST FOR AUTHENTICITY:** Translucent globe icons *MUST* be visible from both sides when held toward a light source. The face of this transcript is printed on red SCRIP-SAFE® paper with the name of the institution appearing in white type over the face of the entire document.

[illegible]

**ADDITIONAL TESTS:** When photocopied, a latent security statement containing the words VOID VOID VOID appears over the face of the entire document. When this paper is touched by fresh liquid bleach, an authentic document will stain. A black and white or color copy of this document is not an original and should not be accepted as an official institutional document. This document cannot be released to a third party without the written consent of the student. This is in accordance with the Family Educational Rights and Privacy Act of 1974. If you have any questions about this document, please contact our office at (607) 255-4232. ALTERATION OF THIS DOCUMENT MAY BE A CRIMINAL OFFENSE!
